Short Bio Note (100 words) Anoushka Roy is currently a post-graduate student of Public Policy at the National Law School of India University, an erstwhile student of International Relations at Jadavpur University. She has worked extensively on bridging the gap between foreign policy and public policy through evidence-based research. She has experience at several offices- from the Ministry of External Affairs to the Mazdoor Kisan Shakti Sangathan. Aspiring to build a career in international development, her interest areas include rural development, migration and global decision-making.

Research Topic: A Critical Inquiry into the Quality of Life of Self-Employed Migrant Workers from the North-East in Kolkata: Questioning the State's Responsibility Towards Them
